REPORT OF SCHOOL BOARD

OF THE TOWN OF WARREN, FOR THE YEAR
ENDING FEBRUARY 15, 1894.

Schools have been maintained the past year as follows:

School No. 1, Clough.

2, Village. Grammar.
Primary.

3, East Warren.

4, Beech Hill.

6, Swain Hill.

7, Warren Summit.

8, Ore Hill.

9, Foote.

SCHOOL NO. 1.

Two terms ; first term 10 weeks, second term 12 weeks ; both taught by Bertha Farnham with good success. The average daily attendance was excellent and good improvement in all branches taught was the result.

SCHOOL NO. 2.—PRIMARY DEPARTMENT.

Three terms ; taught by Bertha Smith. Miss

Smith has been a successful teacher in this school for the last two years. The school has been well managed and taught, and all appreciate the success of the school. Quite a large number of names on the roll of honor in this department for perfect attendance.

GRAMMAR DEPARTMENT.

Three terms; taught by Annie G. Wadleigh. Good improvement in all branches taught has rewarded her efforts. The interest taken by teacher and scholar has made the school commendable to all.

SCHOOL NO. 3.

First term, taught by Alice E. Spaulding with good success. Second term, taught by Alice M. Bartlett; with a much larger number of pupils, Miss Bartlett did commendable work in the schoolroom and resulted in one of the most profitable schools in town. The third or winter term was taught by Minnie I. Sinclair. The attendance was unusually small, and, at the end of eight weeks, we closed the term owing to the uncomfortable condition of the schoolroom.

SCHOOL NO. 4.

One term; taught by Alice V. Pillsbury. This was one of the small schools. Good advancement was made in all the branches taught.

SCHOOL NO. 6.

One term; taught by Helen K. Bittinger. The younger pupils were quite punctual in attendance and were well taught and made marked improvement; the older pupils made good progress for the time they attended.

SCHOOL NO. 7.

Three terms; spring and winter terms taught by Kate C. Weeks; fall term by Minnie I. Sinclair. Each term was quite successful. The best specimen of penmanship was found in this school, considering the age of the pupil, of any in town. The number of pupils has decreased in this school nearly one-half in a period of two years.

SCHOOL NO. 8.

Two terms; both taught by Mary M. Pillsbury. Much interest was taken by both teacher and pupil with good results; the attendance was nearly perfect.

SCHOOL NO. 9.

One term; taught by Alice M. Bartlett. Good improvement was made in the studies, and also in order and deportment.

ROLL OF HONOR.

For perfect attendance for the year: B. Blanche Annis, Laura M. Annis, Sarah E. Annis, Mabelle E. Houghton, Ella A. Houghton, George French.

Eight were perfect for two terms; forty for one term.

Whole number scholars attending school not less than two weeks, 68 boys, 77 girls; total, 145; number over 15 years of age, 18. Whole number of weeks of school in town for the year, 192.

The School Board earnestly call the attention of the citizens of the town to the bad condition of the school-houses, especially to the one at Ore Hill and East Warren. So when the proper time comes you will cheerfully respond with the funds to put them in a safe and comfortable condition.
